H | Important Notice Regarding Special Enrollment in The Concordia Health Plan

Are you requesting coverage for yourself and/or your eligible Dependents because you and/or your Dependent(s) were covered under another health plan and are now no longer eligible for such coverage? YES NO

If you check “yes,” we must have a copy of the certificate of prior coverage for each individual for whom coverage is being requested. A COBRA extension form CANNOT be accepted as a certificate of prior coverage.

NOTE: If you are unable to promptly obtain a certificate of prior coverage, please submit this application within 60 days of the loss of other coverage and send a copy of the certificate of prior coverage once you have received it. The information submitted will be reviewed to determine special enrollment eligibility in the CHP. If all the requirements are met, eligibility for coverage will be the first day of the calendar month coinciding with or next following the loss of other coverage. This also applies to transferring Workers.

Please provide information regarding the other insurance:

J **Terms of Special Enrollment**

Special Enrollment: Workers and/or their eligible Dependent(s), who previously declined CHP coverage due to other coverage in another health plan, may be eligible to enroll in the CHP at a later date under the special enrollment provisions if they are eligible for coverage and the following conditions are met. Application for special enrollment in the CHP must be received by Concordia Plan Services **as soon as possible but no later than 60 days** after the event (i.e., loss of other health coverage or the reason for requesting CHP enrollment).

- a. *Loss of other coverage.* To be eligible for the special enrollment period, the coverage must be lost due to a loss of eligibility for the other coverage or the employer contributions toward the other coverage must have ended. Loss of eligibility includes a loss of coverage due to divorce, legal separation, death, termination of employment, or reduction in hours of employment. Loss of coverage does not include a loss due to failure of the participant to pay premiums for any reason or termination of the other coverage for cause. **Any break in covered periods must be less than 63 days.**
- b. *Children's Health Insurance Program (CHIP) Reauthorization Act of 2009.* A Worker (or Dependent) who is eligible, but not enrolled for coverage, may enroll for coverage if: (1) The Worker (or Dependent) is covered under a state Medicaid or state children's health insurance plan and coverage is terminated as the result of the loss of eligibility for Medicaid or state children's health insurance coverage; or (2) The Worker (or Dependent) becomes eligible for premium assistance to purchase coverage under the group health plan provided by the applicable state Medicaid or state children's health insurance plan; and (3) The Worker requests coverage **no later than 60 days** after the date eligibility is lost or the date the Worker (or Dependent) is determined to be eligible for state premium assistance.
- c. *New Dependent due to marriage, birth, adoption, or placement for adoption.* If you have a new Dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and/or your Dependents. However, you **must** request enrollment in writing **within 60 days** after the marriage, birth, adoption, or placement for adoption. Failure to enroll within the 60-day period may result in enrollment being delayed until the next open annual enrollment period.
- d. *Certification.* A certificate of prior coverage or similar evidence of prior coverage must be submitted with the request for special enrollment. In lieu of a certificate of prior coverage, the individual may demonstrate prior coverage by (1) attesting to such coverage, (2) providing corroborating evidence (e.g., a doctor's bill or pay stub showing payroll deduction), and (3) cooperating with the plan to demonstrate coverage. *An individual who meets all three criteria will be treated as providing certification of prior coverage.*
